This constitutes a justified interest pursuant to Art. 6 (1) (f) DSGVO. If your browser does not support web fonts, a standard font is used by your computer.

The use of Google Maps with recommendation components

We use the "Google Maps" component on our website in combination with the so-called "Share function". "Google Maps" is a service of Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043 USA, hereinafter "Google."

Each time this component is called up, Google sets a cookie in order to process the user configuration and data when the page with the integrated "Google Maps" component is displayed. As a general rule, this cookie is not deleted by closing the browser, but rather expires after a certain time, as long as it is not previously manually deleted by you.

If you do not agree with this processing of your data, you may choose to deactivate the "Google Maps" service and thereby prevent the transfer of data to Google. To do this, you must deactivate the Java Script function in your browser. However, we would like to point out that in this case you will not be able to use "Google Maps" or at least only to a limited extent.

The use of "Google Maps" and the information obtained through "Google Maps" is according to Google's Terms of Use

<http://www.google.de/intl/de/policies/terms/regional.html>

as well as the additional Terms and Conditions for "Google Maps"

https://www.google.com/intl/de_de/help/terms_maps.html.

The Google Maps function also includes the following recommendation buttons:

- "Google+-Button" from the company Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043 USA;
- "Facebook-Button" from the company Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA;
- "Twitter-Button" from the company Twitter Inc., 795 Folsom St., Suite 600, San Francisco, CA 94107, USA.

By calling up the "Google Maps" page, these "Recommendation components" cause the browser you are using to download a corresponding display of the component from the respective provider. In this way, the respective provider mentioned above will be informed about which specific page of our internet site you are currently visiting.

If you are logged in to your personal account at the provider previously mentioned at the time of calling up the "Google Maps" page, this will be able to collect the information obtained about the websites recommended by you as well as your IP address and other browser relevant information and link it to your respective account.

If you want to prevent this transmission and storage of data by the respective provider about you and your behaviour on our website, you must log out of those providers before you visit our site.

You can find out more about the data collection of the respective providers via the following links:
